to do what?

You become
a vengeful
ghost.

Who do you
hate? Who do
you want to
kill?

If you are not
holding a grudge
against anyone,
then why ...

If you wish, I shall
give you the
power.

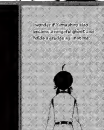

Grudge!

You spent a
hell of a grudge

Why don't you
tell me who you
hate?

I can make you a
vengeful ghost

Remember if you're alone when
you're a vengeful ghost, don't
forget a grudge or two

It's better
to be a vengeful
ghost

What you
going to?

Well

Even after I
became a
vengeful ghost,
my wish didn't
come true

Days at the
imperial court
are not even
worth being
killed.

Are you
talking about
Yamashiro?

You can't
understand

how I felt when I let
someone important
to me die

(Thinking)

Lo
22

It's all your fault

You shouldn't have
pushed the
important person
away from you so
that's your fault

Then what should
I have done?

Should I have
gotten Yamashiro
involved in the
fight?

He's once gone
according to
Yamashiro

Wakaba's that
his a memento?

and Yamashiro was
wearing the earring
when he committed
a suicide

I guess so --

You don't think of
the camera game,

and that's why you
lose something
important...

Don't touch
it...

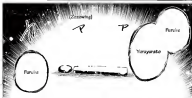

I'm going to
borrow your
earring...

His name is Yamashiro!!

Bring his soul here!!

Bring his
soul here!!

Blue Art of Duetty

安曇新

But what
happened to
the master—

According to his
memory, he is
indeed Soga no
Iruka

—I've
got it

Is he the
master?

I could not
see all of the
information about the
murder.

Just because
of the barrier.

I'm amazed
that you can
do that kind
of thing.

I went deep into
his memory.

He is indeed
Soga no Iruka
just as I
expected.

What I have
learned is that

The actual Soga
no Iruka does
not mean that
he is a person.

Soga no
Iruka...?

Hey.

A close-up of a character's face, showing their eyes and mouth. The character has dark hair and is looking slightly to the side. The background is dark and indistinct.

why did you
become a
vengeful ghost?

A medium shot of two characters. On the left, a character with light-colored hair is seen from the back, wearing a dark jacket with a diamond-shaped patch on the back. On the right, a character with dark hair is standing and looking towards the first character. The background is a simple, light-colored wall.

What is he
talking about?

I was thinking that
you became a
vengeful ghost
because you were
betrayed and held a
grudge for being
unappreciated

But actually
this is not true

You haven't even
killed your best
friend who killed
you

You have not killed
anyone after
turning into a
vengeful ghost
